

Dear Valued Owners, Guests, and Community members,

Acadia Village Resort is currently planning a June 1, 2020 reopening of our units for our Maine owners & Maine residents.

The HOA Board of Directors has decided that the amenities will remain closed for the time being and will reevaluate the situation at their next meeting on June 7, 2020. However, it's important to recognize that **plans may change** based on local & state mandates, the Board of Directors, and the status of COVID-19.

What to expect when staying with us in June in addition to protective measures that have previously been put into place:

- All employees will be wearing face masks
- Guests will be asked to wear a face mask when in the clubhouse
- Clubhouse amenities will remain closed for the time being
- Coffee will not be available in the lobby at this time
- Hand sanitizing station will be set up in the clubhouse lobby
- Vending machines will be temporarily unavailable
- Only one guest will be permitted in the lobby at a time
- Will be offering curbside check-in for guests who don't want to come into the Clubhouse: Call when you arrive and we will bring your registration sheet and keys out to you
- Will only be running at half occupancy for the month of June to allow for more thorough cleanings

If you have any questions or concerns please call the office at 207-667-6228 we are more than happy to answer any questions that you may have.

We thank you for your patience and understanding during this time and look forward to welcoming back all guests sometime in the upcoming month(s).

Acadia Village Resort Management & Staff
